

## Three big scratch card winners – will you be next?

Three Essex freemasons have already claimed some of the top prizes in the Festival 2011 Scratch Card promotion – and the list grows bigger every day. Will you be the next big winner?

Steve Linge from the Upminster Centre and an anonymous winner at Southend join Colchester Mason Mike Hill in the winners Hall of Fame and there are thousands more in prizes still to be won.

As the Scratch Card initiative, organised by the Provincial Grand Stewards Lodge, gathers momentum, there are more chances of winning than ever before with £55,000 available in the prize fund and a 15 to one chance of being successful.

2011 Scratch cards are only intended as a “bit of fun”, available in the bar after meetings for those who fancy a flutter attracting some of the loose change that might other wise be lost to the Festival Appeal.

If your Lodge has not received any Scratch Cards and you want to join in the fun for prizes up to £1,000 please contact your local coordinator. His name appears in the Essex Mason or alternatively e-mail [info@cfapr.com](mailto:info@cfapr.com) to know more.
