TO ALL MEMBERS OF ESSEX MASTERS

Dear Brethren

Saxon Hall Temple Overflow

In an attempt to overcome some problems in the seating arrangements for the June 25th meeting, and possibly those in the future, I am contemplating the following arrangement should the need arise.

Those members who are seated in the Temple Overflow 'room' behind the WM Chair will have the opportunity of having a reserved seat in the tiered section of the Main Temple for the next meeting.

To facilitate this for the June 25th meeting I will need to know those members who were seated in the Temple Overflow for the February 2008 meeting.

Please email me with your name and Lodge Number if you were seated in the Temple Overflow in February.

I am also contemplating a similar situation with the overflow dining arrangements between the Maplin Suite and the Main Dining Room; although I understand that some would not wish to change. Again please let me know if you do not want to be involved in this arrangement.

These are proposals at the moment, the logistics are problematical.

If the numbers for the June meeting exceed a certain figure a note will be put on the web site that the Temple Overflow will be used.

It is essential that all that are NOT dining do please either return the advice of intending to dine – or email or phone Dennis Wiles - Asst. Secretary -or myself.

Can I also plead that you do sign in on the relevant Signing On sheets.

Yours Fraternally

Ian D Whitley
