

Provincial Grand Lodge of Essex

The Province of Middlesex is sponsoring a "Mason Garden" at this year's Hampton Court Flower Show on 7th - 12 July. After the show the garden will be relocated to the RMBI home in Watford.

Middlesex are asking for support from its neighbouring Provinces. In total the Garden will cost circa £21,000. The garden will have a very strong Masonic theme and it is hoped that it will generate much interest in the Craft.

If we have any of the Essex Membership who would like to help man the stand for 2/3 hours to answer questions, it is proposed that one day will be set aside for the Provinces to publicize their own areas, and maybe any green fingered brethren might like to organise a coach trip for the day.
