

The Universities Scheme and the Province of Essex

Essex University Wivenhoe Park Campus

In support of United Grand Lodge of England's Universities Scheme, we are trying to identify Masons who have, or have had, some connection, however tenuous, with **Essex University**.

Do you know somebody who is currently at or involved with the University, whether as faculty, management, student or in some other ancillary role? He may be a Freemason but we would not expect this to be the case and, indeed, your contact may be female. We really are very keen to know about any contacts at the University that you might have so please give the matter some serious thought.

If you yourself have a connection with Essex University or you know a man who does, then please get in touch with Alan Clark at aj.clark@virgin.net or telephone 01708 221769 or 07740 343510.

**W.Bro. A.J. Clark, PSGD
APGM**
